## Accommodation

There are several search tools, which may help you find accommodation in Prague:

- Hotel Search Prague: [www.visitprague.cz/en/](http://www.visitprague.cz/en/)
- Prague Holiday, the hotel booking agency for Prague: [www.pragueholiday.cz](http://www.pragueholiday.cz)
- Online Hotels Prague: [www.ohp.cz/index.en.html](http://www.ohp.cz/index.en.html)

For your convenience, we have created a list of hotels and hostels which are reasonably close to the symposium site. All of these have received good reviews.
